TRANSPORTATION POLICY AND OPERATING PROCEDURE (IV - 15)

The Education Act, section 190 (1) *Transportation of Pupils* states:

A Board may provide for,

- a) a resident pupil of the board who is enrolled in a school that the board operates,*
 - a.1) a resident pupil of the board who is enrolled in a school operated by another board under an agreement between the two boards;*
- b) a pupil in respect of whom the Minister pays the cost of education under the regulations; and*
- c) a child over two years of age who may, under the regulations, be admitted to a program for hearing-handicapped children,*

transportation to and from the school that the pupil attends.

Student Transportation Services of Waterloo Region and the School Boards it serves recognize that although the Education Act places no mandatory responsibility on a board to provide transportation for students, there may be existing conditions that warrant transportation for certain pupils.

Transportation can be withdrawn for violation of the behavior code or changes to the distance criteria.

POLICY STATEMENT

Student Transportation Services of Waterloo Region (STSWR), on behalf of the Waterloo Catholic District School Board (WCDSB) and the Waterloo Regional District School Board, (WRDSB) is committed to the provision of transportation services subject to the following guidelines that place the primary focus on student safety, efficient service and cost effectiveness.

ELIGIBILITY

1. Only students residing in Waterloo Region, registered and attending a school operated by either WRDSB or WCDSB may be eligible for transportation, except where otherwise authorized by a Director of Education or designate.
2. Transportation may be provided to students as a result of;
 - a) Distance from school,
 - b) Hazardous walking conditions,
 - c) Special needs
 - d) Participation in educational excursions.
3. The distance guidelines defined by each School Board shall generally be used to determine eligibility. (See Appendix A)
4. All transportation measurements will be determined by Student Transportation Services of Waterloo Region and will be based on the shortest distance by road, path or walkway from home to school or bus stop, and are subject to a reasonable flexibility beyond the guidelines.

ADMINISTRATIVE PROCEDURES

1. Designated Bus Stops

Students will be required to walk to community bus stops. The distances from property to bus pick-up points are defined in Appendix A.

2. Special Considerations

In consultation with the appropriate School Board Superintendent and STSWR, special consideration may be given;

- a. Where traffic or other safety hazards exist, conditions to be considered are;
 - i. The presence or absence of traffic lights and crossing guards;
 - ii. The availability of walkways and sidewalks along major thoroughfares;
 - iii. Sight lines at crossing points;
 - iv. The presence or lack of protective barriers that may result in walking distances exceeding board policy.

- b. Where special needs of a student requiring transportation are identified.
- c. Where a student has become temporarily non-ambulatory.

While there may be other medical conditions that exist, it is the responsibility of parents to ensure the safe arrival of students who would not normally be eligible for bus transportation.

3. **Traveling Times**

Wherever possible, every effort will be made to ensure that students will not be on the bus longer than one hour (one way).

4. **Type of Transportation**

Student Transportation Services of Waterloo Region will determine the type of transportation service to be provided in all cases. Transportation may be by school bus, van, taxi or through Grand River Transit.

RESPONSIBILITIES AND EXPECTATIONS OF PARENTS

1. Parents are responsible for the safety and conduct of their children prior to bus pick-up and after bus drop off.
2. **Junior and Senior Kindergarten Students MUST BE MET** by a parent/guardian, caregiver or an appropriately-aged older sibling.
3. Parents of students in Junior and Senior Kindergarten are **REQUIRED to come to the bus door** and ask for their child by name in order to promote safe dismissal.
4. Parents are responsible for their children knowing the safety precautions and behavior code as outlined in this document.
5. Student/parents will be held financially responsible for damage to the school bus resulting from improper behavior or carelessness.
6. Parents of students with special needs are required to assist their child on and off the bus at their home stop.
7. Parents must be familiar with the inclement weather procedures and are responsible to monitor cancellation announcements. Cancellation announcements can be found at STSWR.ca, [Twitter](https://twitter.com/STSWR) (@STSWR) or through media outlets.
8. Parents have the right to make the final decision in sending children to school in the event of inclement weather.

RESPONSIBILITIES AND EXPECTATIONS OF TRANSPORTED STUDENTS

1. To ensure that a safe and secure environment is maintained, a school bus will be treated as an extension of the classroom. Improper conduct may result in the withdrawal of riding privileges by the school Principal or designate. Reinstatement will be at the discretion of the school Principal or designate after consultation with the student and parent or guardian. Students are expected to be familiar with and adhere to “Guidelines for Transported Students.”
2. The use of crutches is not permitted on the bus for safety reasons.
3. Actual bus stop arrival times may fluctuate due to traffic conditions; it is recommended that students are ready and waiting to board the bus at least five minutes prior to the scheduled pick up time.
4. Choose the safest walking route to and from the bus stop. Keep clear of the roadway and private property while waiting for the bus.
5. Make sure traffic is clear, or stopped, when crossing any roadway.
6. Line up and board the bus in an orderly manner.
7. Take a seat promptly and stay seated until the bus stops at your destination.
8. Place nothing in the aisle. Hold books, lunch boxes and other items on your lap.
9. Do not carry skates on the bus unless they are equipped with skate guards, or placed into a reinforced carrying bag, or wrapped securely. Other sports equipment such as toboggans, hockey sticks, skis, skateboards, scooters, long boards, etc. are not allowed on the bus.
10. Musical instruments to a maximum size of 18 inches by 10 inches by 10 inches (46 cm by 26 cm by 26 cm) are allowed on the bus. Instruments over this size are not permitted on the bus.
11. Keep your entire body inside the bus at all times.
12. When boarding the bus in the afternoon for the trip home, students first to leave the bus will occupy the front seats or sit in the seat assigned by the Principal or designate.
13. If, upon leaving the bus, it is necessary to cross a roadway, do so when the stop arm is extended and the red signals on the bus are flashing and traffic is stopped.

Since Student Transportation Services of Waterloo Region and the School Boards share the responsibility of a safe ride for all students on school buses, any student whose conduct endangers the safety or interferes with the comfort of others may have their riding privileges revoked. Courtesy and respect for others are to prevail at all times.

STUDENT CONDUCT ON VEHICLES

Rules of Conduct on the School Bus

1. Every student is responsible to the Principal for their conduct on a school bus—
Education Act Requirements for Students - Reg. 298, s. 23 (4c)
2. Students must act appropriately on the school bus so they do not endanger the safety of themselves or others.
3. At all times, students must obey the driver who is in charge of the bus and all passengers. Safety patrollers are present to assist the bus driver. Safety patrollers have been trained in bus emergency procedures and their instructions should be respected in such circumstances.
4. Students are to sit where directed by the Principal, designate or driver; and must remain seated until the end of the trip.
5. Students will be allowed to leave or board the bus only at their regular stop (i.e. at school and at home stop) unless written permission is granted by the Principal.
6. Students will be allowed to ride only the bus assigned to them. Written permission from the Principal must be obtained for any exceptions.
7. The following examples of behavior on a bus are prohibited at all times:
 - a. Eating food or drinking beverages
 - b. Unnecessary opening and closing of windows
 - c. Throwing items
 - d. Fighting, wrestling, yelling, and climbing
 - e. Bullying in any form
 - f. Smoking or vaping.
 - g. Use, possession or sale of alcohol or illicit drugs; or the possession of weapons or items that are intended to be used as a weapon
 - h. Using obscene or profane language or harassment of any kind
8. Student Transportation Services of Waterloo Region and the School Boards it serves consider parents/guardians responsible for the safety and conduct of their children before they are picked up and after they have been discharged from a school bus.

DISCIPLINARY PROCEDURE AND SUSPENSION OF RIDING PRIVILEGES

Disciplinary Procedure

1. The driver will warn any student who misbehaves on a school bus.
2. If the misbehavior is repeated, the driver shall submit a written report to the Principal, who shall interview the student and may warn parents/guardians, in writing, that further repetition could lead to the withdrawal of riding privileges.
3. If a suspension of riding privileges is to be applied to a student, the parents/guardians are to be notified, in writing, of the reason and duration of the suspension of riding privileges.

NOTE: The suspension of riding privileges by the Principal will be for a period of one (1) to twenty (20) days for any one offence, at the discretion of the Principal.

- a. Student Transportation Services of Waterloo Region, the operator, and the driver of the bus will receive a copy of the letter.

NOTE: The Principal will consult with the student and parents/guardians before riding privileges are reinstated.

4. Where a suspension of riding privileges exceeds twenty (20) days, approval of the School Board is required.
5. If the Principal feels that the misbehavior is sufficiently serious to suspend the student's riding privileges immediately, contact will be made by telephone to the parties noted above. Written documentation must follow.

INCLEMENT WEATHER PROCEDURE

During the winter season, there are days when school buses cannot safely operate due to fog, freezing rain, snow or other hazardous conditions. This may be confined to certain areas, or necessitate a complete system shutdown for the day.

School Bus Cancellation - Before School Starts

Bus operators will consult with their drivers and other monitors to determine if road conditions are safe. If conditions appear unsafe, they will contact Student Transportation Services of Waterloo Region for approval to cancel buses.

A “frigid temperature” assessment applies when the temperature reaches -35°C with wind-chill or colder. The General Manager of Student Transportation Services of Waterloo Region, or designate, will check and assess the temperatures in the Waterloo region using Environment Canada’s wind-chill index before 5:30 am. If the temperature is forecasted to reach or exceed -35°C with wind-chill at 7:00 am, Student Transportation Services of Waterloo Region will inform School Board directors or their designates that buses will not operate. Schools will remain open for student drop off at parents’ discretion.

If there is a decision to cancel, Students Transportation Services of Waterloo Region will contact the following radio stations for widespread broadcast.

Bus cancellation notices affecting our schools will be sent out to the following outlets by 6:00 AM:

CHYM	(FM 96.7)	Kitchener - Waterloo
570 News	(AM 570)	Kitchener – Waterloo
Virgin Radio	(FM 105.3)	Kitchener – Waterloo
Dave Rocks	(FM 107.5)	Cambridge
Magic FM	(FM 106.1)	Guelph
Country	(FM 106.7)	Kitchener – Waterloo
CKWR	(FM 98.5)	Kitchener – Waterloo
The Beat	(FM 91.5)	Kitchener – Waterloo
Faith FM	(FM 94.3)	Kitchener - Waterloo

Cancellations are posted on Student Transportation of Waterloo Region’s website at www.stswr.ca, may also be sent via email notification (see www.stswr.ca) and will be posted on twitter [@STSWR](https://twitter.com/STSWR).

Cancellation information is also posted on School Board websites at www.wcdsb.ca or www.wrdsb.ca

If the buses are cancelled, they are cancelled **all day**. Parents of bused students who attend school when buses are cancelled must arrange for transportation home at the end of the school day.

Unless a system closure has been announced, all schools in WCDSB and WRDSB will be open during regular hours. All extended day childcare programs will be open as well.

Early School Dismissal

Emergency dismissal procedures for bused or non-bused students may be implemented differently by each school. It is the Principal's responsibility to prepare a plan for notifying each family of the early dismissal and the related procedures. When early dismissal is warranted, bused students may be dismissed from school at any time during the school day as determined by Student Transportation Services of Waterloo Region.

Non-bused students will be dismissed only at lunch or the normal dismissal times at end of the school day.

In the event that a system-wide dismissal is called, information will be announced by the radio stations.

Suggested procedure for parents of children who ride school buses:

Parents are the primary decision makers regarding the safety of their children.

- a. If you are unable to be home for early dismissal, make arrangements to safeguard your children at a neighbor's home.
- b. Please make sure your children are aware of what they are to do in the event of an early dismissal.
- c. Call the school only when absolutely necessary so that you will not tie up the school telephone.

IF SCHOOLS ARE OPENED AND BUSES ARE RUNNING, PARENTS MAY ASSESS THE CONDITIONS AND IF THEY BELIEVE CONDITIONS TO BE UNSAFE, THEY HAVE THE RIGHT TO KEEP THEIR CHILDREN AT HOME.
