## TRAIL ETIQUETTE

Remember to sound your bell/horn, or shout a friendly greeting as you approach others. Faster trail users pass on the left when it is safe to do so and there is space.

Slower users keep right. Slow down at bends or curves, and stop for traffic when trails cross busy streets. Be considerate of all trail users so everyone has a safe and enjoyable experience!

## ABC QUICK CHECK

Learn the ABC Quick Check to spot necessary repairs and adjustments before they become a problem! Learn more [here](#).

## WATERLOO TRAIL MIX

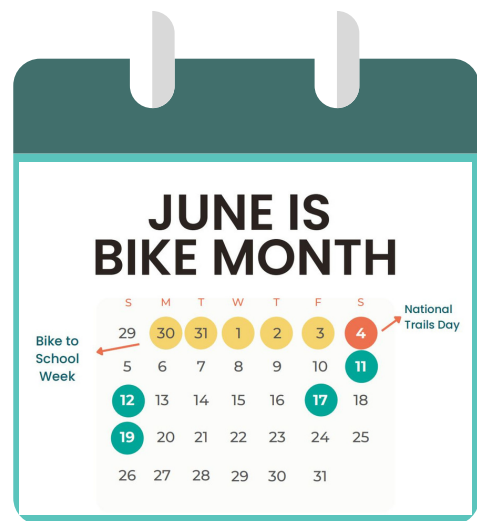

Trail Mix is an auditory accompaniment for Waterloo trails. Select your favourite Waterloo trail and find hidden QR codes to get access to curated trail playlists containing works by local artists!
