

Make a difference in their lives—not your lifestyle.

Become a Professional School Bus Driver

More than ever, school bus drivers play a vital role in our education system and can have a positive impact on our children.

We are currently looking for friendly, positive individuals who enjoy children and have a desire to make a difference in their lives but also want a career that fits their own lifestyle. If you're a stay-at-home parent and don't want to give up time with your children, a retiree looking for a rewarding way to spend part of each day, or a student over 21 looking for additional income, this might be the part-time career you've been looking for.

Enjoy the many benefits of being a school bus driver.

- Regular, part-time hours
- Free Training including First Aid and CPR
- Independent Work Environment
- Weekends, Holidays & Summers off
- Ability to bring young children to work
